

## **Ashtar's message for All of you**

Dear Mari-Elise and Hugo,

I have a message for you from Ashtar. I was driving the car (soon to be called an antique, he says) so I could not tape the message. Susan Leland and I were in the car when Ashtar came thru with information for all of you, as in the Whole group that demonstrates at the Peace Palace. He said that it is very fitting for you to be at a "place of peace" at this time since the first focus of the Ashtar Command is PEACE on this planet and All of you are part of the Command altho some may choose not to be, yet. He plans to communicate directly with you through one of your group so one of you will be channeling (willingly) our commander of commanders. He is quite loud and forceful (pounds the table or whatever is available), so you may want to be away from the public eye and in a quiet place. He certainly does have a "commanding" presence.

He also said that each of you has a different specialty, such as one of you will be receiving much medical information while others will be receiving whatever their specialty is.

I am so excited for you, and me, and all of us. What a fantastic experience to be part of!

Much Love,  
Edie

**March 7, 2004**

**THIS IS SHAKARA, DAUGHTER OF ASHTAR AND OF HELENA  
OF THE STARSHIP CAPRICORN.**

I GREET ALL YOU COMMANDERS THAT COMPRISE GROUND CONTROL.

I COME TO TELL YOU THAT IN THIS GREAT HOUR THERE LIES WITHIN EACH OF YOU THAT GREAT RESERVOIR OF LOVING JOY THAT REACHES FAR BEYOND THE CAPACITY THAT YOU HAVE THUS FAR REALIZED EXISTS WITHIN YOUR BEING. YES, WITHIN YOUR BEING LIES THE VERY ESSENCE WITHIN THE TOUCH OF YOUR WORDS THAT YOU SPEAK AND WITHIN THE TOUCH OF YOUR HANDS THAT REACH OUT, THE ESSENCE OF HEALING VIRTUE THAT WILL TRANSMUTE UPON CONTACT. I REPEAT YES, A HEALING VIRTUE IN YOUR WORDS AND IN YOUR HANDS.

THE KEY TO THIS IS THAT YOU MUST RELEASE AND DISPERSE IT. WHAT I AM SAYING TO YOU IS INDEED SO BUT YOU MUST KNOW THAT IT IS SO AND ACT UPON THAT PREMISE. THIS IS THE PERSONAL WORK THAT SPOKE OF IN A PREVIOUS TRANSMISSION THAT WE DESIRE TO ASSIST YOU WITH.

YES IT HAS ALREADY BEGUN AND THIS IS THE HOUR THAT IT IS NEEDED THE MOST. YES THE LOGISTICS AND THE TECHNICAL DETAILS OF YOUR MISSION DO REMAIN IMPORTANT, YES, AND ATTEND TO THEM YOU MUST AS YOU HAVE, BUT THE CALL OF THE HOUR IS WHAT I AM SPEAKING TO YOU OF AT THIS MOMENT AND WE ASK THAT YOU MAKE IT OF THE UTMOST PRIORITY IN THE FURTHERANCE OF YOUR MISSION.

WHAT YOUR PLANET NEEDS THE MOST IN THIS HOUR IS LOVE, OH SO MUCH LOVE AND THIS WILL BE THE KEY TO THE TRANSITION THAT YOU SEEK AND UPON THE SETTING OF YOUR SIGHTS TO THIS KEY WILL BRING THE EMBARKMENT OF NEW BEGINNINGS.

SHAKARA OUT.

Dear Mari-Elise and Hugo,

I just sent you an email answering your transmission and it seems to have disappeared. Hope this one makes it thru.

Thank you for sending the transmission. You two are doing fantastic work. One or more transmissions per day is amazing.

We had a session with Ashtar today. Before we started Susan called in Security Teams to clear the tape recorder's 3 timelines and 4 dimensions. When we played the tape Susan came thru with her intro but we heard a click when Ashtar came in. We then played it on another machine and we could hear Susan's voice, but faintly with static. I will be looking for someone to clean the tape and make it audible.

Ashtar said that your group at the Hague is the hub for the energies going out over the planet and far beyond. Your transmissions are priceless for not only do they contain info for today but also blueprints for the planet's evolvment and every living being here. WOW !! You are doing important work.

He said to CLEANSE, CLEANSE, CLEANSE !!!

Number one priority is Self, and then connections.

There will be a block of animals removed from the planet and taken elsewhere. Then he began saying or singing "Ode to the Extinct Mosquito". We had quite a laugh over that.

He described eating an egg as "cannibalizing an abortion". Not sure how serious he was. Maybe I will find out when I cook an egg.

The tape is 45 minutes long with lots more info so I hope we can rescue it.

Love & Blessings,  
Edie

## New perspective

What will you all do the next few weeks? The energy of change of view is upon you. Whether you let go and be of for a while or not, you are still present with the energy you all already have been giving to it. It is an ongoing asking for, and adding to, the cause of changing of the world.

If you think that you are just doing your little task and you don't do anything worthwhile, just think again. Just explain a rainbow to a raindrop, only when he is part of the process to sustain the rainbow, then he knows what it is. At least when he is able to understand his humbleness and his grandeur in being instrumental for the sake of the rainbow. Without him as being small ugly raindrop somewhere forgotten in his opinion, he is the instrument to make a beautiful rainbow to lift all who are looking at the rainbow and this way are participating in the experience. This raindrop won't feel what the others, seeing the rainbow, feel, don't feel the gratitude. It is there, but he won't feel it. Only when he dies, he will see his actions and the way he made a difference by just being himself and being of service to the whole, for the good of all concerned. It is indeed a blessing to be you, and with being you, you bless the world. Being is enough for the whole spiritual hierarchy, the angels, the ascended masters, the federation of light, the galactic federation. What do we want more than seeing you being what you are; God. We won't ask for more. So it is very easy to be of service, when you are what you are, it comes natural.

The perspective I like to talk about is the following line: by just being yourself where you are right now, centered inside you, you are just doing what you like to do, need to do, can offer to do. Nothing more is needed. Forget the spam, the scam, the gossip, the judgements on both sides, just be who you are: LOVE. Let the flow of love come from you and go to you. Be a multiplier, share your riches, and your riches will find you. Otherwise you don't advertise for them, and they will lose the connection and the attraction of a flowing energy. Where there is no life, no flow, there is nothing needed. There is nothing to add, nothing to flourish, nothing to blossom. So be you and share you, that is all that is needed.

I would like to thank all for your participation in the process, the eagerness to be of service for the rest of the world. You all did a good job. Keep on doing it.

What is next? A whole new opportunity for a new beginning in the next year. With the harvest at the doorsteps of life, it is easy to see that a new cycle is starting. What do you like to start? In other parts of the world, this is just half way a cycle, they can consider to rethink their actions and get some corrections in their goals so they ended the cycle of their own where they want to be.

With a new cycle starting, just think. Are you eager to stay at the doorsteps for one other year? Are you planning to give your life another direction, instead of waiting, are you going to create? This hasn't have to be done at the doorsteps of the world court, it can, it doesn't have to. With harvest you see what you have sown, what you are getting for your efforts, and if the creation you get is the one you would like to see. When you see the results of last year, you have time to end the cycle of growing with appreciation of what you did and what you got out of it. You will set your goals for the next cycle, turning inwards to give the soil rest and meanwhile cleaning, resting, being, creating, trusting you go through the winter to another spring and summer, to another harvest. What do you like to have at that time? And think, is what you want a part of others freewill? Is what you want part of others creation? Is what you want a part of others expression of compassion, conscious being, state of expression love in his or her (especially her) daily life? Just ask yourself, is the love this particular person is giving to the world a love you like to get? When some being doesn't get the respect he deserves as being God, because the other thinks that what he has done is not part of his being God, is not a good way of expressing himself. Who is she that she puts this kind of judgements on others? She is also God, of course. Never forget, God doesn't judge, God doesn't complain, God doesn't threaten others when they don't do what you like them to do. This isn't GOD, this is EGO, my dears. Don't follow a leader with a big ego, it will cause only pain, and it is like being a sheep following the shepherd over the edge of the cliff. How wonderful the stories are of this shepherd, how clever she or he is, going over the edge because your leader is leading you this way, is just stupid. This is just a good example of people who are giving their power away to another person. Just the same old behavior to some being new. You can change the shepherd but giving your power away to another one, doesn't change a thing. Think for yourself, dear ones.

Life is too precious to be thrown away, given away. So lead yourself. Just think what you like to create. Think what you like to see in manifestation in your daily life. And start doing it. You only you, can create your life, but when others are doing it also, when dreams connect, it will become a vision for the world for the good of all concerned. And who wants to have it more, when it is for the good of all concerned? God loves it, the one who complains, blocks it, creation is just the ego. Time for cleaning is approaching. The cleaning and cleansing of the harvest.

Love and compassion to all, we are one. So when you do things to yourself or others, you do it to yourself. Love and compassion is all we need in this stage of expression of who we are and what we want to be, especially for ourselves.

With peace, love, I bless your footsteps, go to the right places.

With peace, love, I bless your hearts, let the wisdom of it, the love for all, overflow your heart, to your hands, that they do well, to your eyes, that they see only God in the other, to your voice, that it may speak only of love, wisdom, understanding and gratitude.

That what you wish may be a blessing for yourself and others.

See you next time when daily life is going it's way to be part of the consisting society, when creation is going to its next step of manifestation.

Hugs with love,  
Ashtar.
